Stand F1

Showcasing the **latest innovations** in underground **access solutions and cable protection**

Reduce civils *costs* for *your* underground infrastructure project

- ~50-80% carbon reduction*
- ~80% reduction in manual handling risks*
- ~75% faster installation time*
- Minimised groundworks and materials
- Flexible, modular, and adaptable on-site

*Compared to traditional installation methods

CUBIS SYSTEMS
A CRH COMPANY

www.cubis-systems.com

Seal your infrastructure with *confidence*

- 360° joints and seals product portfolio
- Extend asset life across networks
- Prevent unplanned maintenance
- Reduce replacement cycles
- Comply with sealing and jointing standards

FILOform
A CRH COMPANY

NATIONAL CONSTRUCTION SUMMIT 2026

BOOK YOUR STAND FOR 2027!

NATIONAL CONSTRUCTION SUMMIT 2027

Sport Ireland Campus, Blanchardstown, Dublin

6th & 7th April 2027

Solid Foundation - Stronger Future

Connecting Key Stakeholders Responsible for Delivering a Sustainable Construction Industry in Ireland

IRELAND'S LARGEST CONSTRUCTION GATHERING

- 2 Days
- 4,500 Visitors
- 200 Exhibitors
- 150 Speakers
- 15 Sponsors

KEY THEMES

- Data Centres & Critical Infrastructure
- **Installers:** Building, Plumbing & Electrical
- Architecture, Design & Fitout
- Lean Construction
- Innovation & Sustainability
- Modern Methods of Construction
- Infrastructure

Join your industry peers for a engaging and thought provoking event which will stimulate debate on how Ireland can rebuild its construction and property industry in a sustainable manner to meet the real needs of Ireland and create a stable long term future of the industry and the country.

Clyde House

A Strategic Dublin Location

High-Quality Industrial Facility To Let -in the heart of Dublin's premier manufacturing and logistics corridor.

An ideal environment for manufacturing, logistics, and next-generation data or AI operations.

Size

A fully refurbished, large-scale industrial facility comprising of 62,000 sq. ft. of adaptable single floor space with secure yard and dock levellers. Designed for efficient manufacturing, logistics and distribution operations.

Strategic Location

Located in one of Dublin's most recognised industrial, manufacturing, life sciences, logistics and technology hubs. Immediate access to the M50, Dublin Airport and Port, with a strong workforce catchment.

Power

1.2 MW immediately available. Additional 2.3 MW contracted and available if required.

Ready now.
Built for scale.

Enquire now to secure this exceptional opportunity

Poland. Building Europe's Future

Poland - Your Partner for High-Quality, Cost-Effective Construction Solutions

A Trusted Partner in Modern Construction

Poland is one of Europe's fastest-growing construction markets and a proven hub of engineering excellence, innovation, and competitive delivery.

From infrastructure and modular solutions to advanced manufacturing and sustainable building technologies, Polish companies are shaping projects across Europe and beyond.

- ✓ **Skilled workforce and construction materials suppliers**
- ✓ **Competitive, high-quality delivery**
- ✓ **Strong export experience across EU & UK markets**
- ✓ **Innovation in modular, off-site and green construction**
- ✓ **Reliable partners for infrastructure and private sector projects**

Meet Polish construction leaders at the National Stand

→ **Visit us at the** Poland Pavilion
→ **Connect with** industry experts
→ **Build your next project** *with* confidence
